CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

There are two mechanisms for curriculum planning and delivery. At the institutional level, Evaluation and Planning meetings are held at the end of an academic year and the beginning of the new academic year. The college has certain key activities that guide curricular, co-curricular and extracurricular aspects. Based on feedback from evaluation meetings, these key activities are revised during planning. During the annual planning meeting, curricular planning takes place both at the departmental level and the college level. The Curriculum planning and delivery mechanism of the college comprises of evaluating previous years activities, deciding on focus areas and strategies, preparation and implementation of annual calendars, time tables, attendance books and registers for teachers and students, timely conduction and evaluation of internal exams, assignments, seminars and dissertations. New office bearers are selected from among staff for various clubs and committees. The college follows the University calendar with regard to curricular aspects. It also prints its own calendar incorporating university calendar and collegelevel activities. The second mechanism for curriculum planning and delivery are Staff meetings. The General staff council meets every month. At the Departmental level, staff meetings are held to plan and guide the activities of the Department. This year the institutional level Annual Evaluation meeting was held on 3-4-2018, 9:30 am-3:30 pm and Annual Planning meeting was held on 14-6-2018, 2:30-3:30 pm. There were 10 general staff meetings. This year the Department of Social Work held 11 staff meetings, Department of Sociology held 8, Department of Psychology held 5 and Department of Personnel Management held 4 meetings respectively. The summary of the minutes of these meetings have been prepared.

I – Feedback System		
4.1 – Whether structured feedback r	eceived from all the stakeholders.	
Students		Yes
eachers		Yes
mployers		Yes
Alumni		Yes
Parents		Yes

We have strong feedback mechanisms. There are primarily three mechanisms for student feedback: STEF, Open House, PIME and Student Feedback Form. Feedback is also solicited from other stakeholders' namely teachers, nonteaching staff, alumni and parents. (1) STEF: After every semester, students are asked to provide feedback about teachers by rating them in a form. This form is then forwarded to the concerned teachers through the HoD. (2) Open House: After each semester, students are given a platform called Open House, where they share their learnings, challenges, grievances and suggestions in the presence of the teachers of the Department. After the Open Houses teachers of the Department meet together and discuss about what actions can be taken based on student feedback. This is then reported to students. (3) PIME: As part of the PIME approach which is used in Planning, Implementing, Monitoring and Evaluating of programmes conducted by the college, students offer their feedbacks. (4) Student feedback forms: All students are administered student feedback forms. The results are analyzed and action is taken based on feedback. Feedback from other stakeholders are also taken: (5) Teachers: General and Departmentwise staff meetings conducted on a monthly or need basis is the platform for teacher feedbacks. The visit of the Jesuit Provincial is also another platform for feedback regarding management. (6) NonTeaching Staff: Regular meetings of nonteaching staff are also held, where they give feedbacks and suggestions. (7) Alumni: Alumni Executive Committee Meetings, Alumni Interfaces and Alumni Day Discussions form the platform for Alumni Feedback. Three alumni executive meetings have taken place this year. The Alumni Day was Jan 12, 2019. (8) Parents are invited well in advance for PTA meetings. Participation of parents is considered important. They are given orientation about the course and its features during PTA Meetings. PTA is a platform for parents to give their feedback. Feedback and suggestions are taken during these meetings. The PTA meeting conducted this year was in February 9, 2019, both at Department and College level. Parents of 42 students participated. Action Taken Based on the feedback received this semester the following actions were taken: • Curricular aspects: Individual teachers are asked to reassess themselves in light of feedback received on STEF and in Open houses. Introduction of midsemester open houses. Extension of Library time by one hour. • Infrastructural upgradation: Cafeteria in canteen, scullery, 4 additional classrooms, additional fans in staff room and class rooms, cabling to increase internet speed, cold and hot water dispenser in hostels, classroom maintenances, volley ball and badminton courts renovated.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

CIE is followed as per university regulations. For every paper in a semester there are requirements for attendance, an assignment, a seminar and two tests. CIE Marks for a paper is out of 25. To ensure transparency, all students are asked to sign the internal mark sheet before it is finalized and submitted to the university. While the University CIE system itself is not amenable to much reform, teachers adopt innovative and creative methods to ensure that assignments, seminars and tests seek to build the competencies of the student. The college is introducing an Outcome Based Evaluation system for students from next year. Staff are being trained to implement this system.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

During the beginning of every academic year, the University of Kerala forwards an Academic calendar to its affiliated college. Keeping in line with this calendar and the college prepares a calendar which also includes college specific activities like Arts Day, Sports Day, College Day, Loyola Day and so on. While the University calendar is circulated teachers and uploaded on the website, hard copies of the college calendar is provided to all students. University regulations, notifications and calendar is followed for all academic and examinations related matters.

2.6 – Student Performance and Learning Outcomes

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

A healthy and active representation of students in decision making is the idea behind college union. The college union becomes an inevitable part of a democratic college, since it gives the students abundant opportunities to express themselves. The union members are given due representation in the decision making processes in the college. Representatives from the union are also members in various academic and administrative bodies and committees like IQAC steering committee, internal committee for students with disabilities, mess committee, hostel committee etc . Through this we ensure that the voices of the students are heard in all matters related to the college. The participation of union representatives in these committees also act as a platform for the students to address their concerns and present their ideas and suggestions. The College Union is also a platform for the students to engage creatively in their campus life and learn to develop responsibility and leadership skills. Various programmes are organized and conducted under the union banner like arts club, sports club, planning forum, women's cell etc. These programmes do play a major part in implanting traits like teamwork, sportsman spirit, the drive to stride for bringing the best in one's self etc. Some of the significant programmes organized by the academic council for the current year are as follows • Kerala Piravi celebration • Blood donation camp • World Social Justice Day celebrations, • 'Navangana2019' • "ESPRIT (Annual sports meet) • "Kaladiksha 2019" (Arts festival)

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Yes Dr. Fr. Jose Muricken SJ conceived the idea of forming a former students association of the college. Prof. R. Gopalakrishnan Nair and Prof. Mariamma Joseph prepared the draft constitution of the association. The Loyola Alumni Association came into being on 13th April, 1967 and was formerly inaugurated on 27th March, 1968. Students from the senior batches are inducted into the alumni association during the annual general body meeting held during January every year. The association functions by strictly abiding the existing constitution. Elections are held periodically following democratic procedures to elect office bearers. The Alumni association acts as a bridge between the nostalgic past and the hopeful future. The association envisages a handful of initiatives that bring together our alumni and students under different mentoring schemes. The successfully placed alumni act as mentors and a connecting link for the professional aspirations of our students. The 'Meet the Alumni series' that stretches over the entire year is one of our long standing and signature programmes. Batch wise reunions, facilitation of old teachers, providing financial assistance and scholarships to the students etc. are a few of the activities that our alumni association is involved in.

Sreekumar, founder and Principal Consultant B2N Consulting, Ernakulam (722018). Alumni initiatives (2): Alumni initiated 2 ventures. They contributed cash and professional consultancy to upgrade the website. The Alumni also launched a mentoring programme for the students of the college called the La Compass on 2632019. Alumni Collaborations (15): Many activities of the college are conducted in collaboration with Alumni. With regard to Concurrent Field work, Block Field work, Induction programme, POCSO Awareness campaign, breast feeding day awareness, Kerala flood psychosocial assessment and fund raising, PRA camp, International Symposium on Field Engagement, KAPS national seminar, Job Seeker's course, NSS camp and two research studies saw active collaboration with over 30 Alumni members. Batch Reunions (2): Two batch reunions were held this year. 197678 Batch of alumni had their get together in the Sutter Hall on 1582018. On 2112018, reunion of 197880 batch was inaugurated by Fr. E.J. Thomas SJ, retired Principal of Loyola College. Padma Shri. T.N. Manoharan, Chairman Canara Bank was the chief guest. Ceremonies (7): On 382018, farewell function was held for the senior batch of outgoing students. 4 Farewell meetings were also held for management and administrative staff. On 2362018, Mr. Arun was given send off as he left to join PSC government job. On 3182018, farewell meeting was organized for Fr. Joye James, who left to take up the coordination of Jesuit Higher Education Institutions in South Asia. On 532019, Mr. Maneesh was given send off as he got appointment as Nutrition Consultant at the Department of Social Justice. On 2932019, Retirement Sendoff meeting of Mr. Rajan L., nonteaching staff, was organized and on 3032019, he was accompanied home by 17 Loyola staff. The new Rector and Manager, Fr. Sunny Kunnaparambil was welcomed in a ceremony on June 8, 2018, 2:30 p.m.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

IQAC was given full authority to envisage, implement and monitor programmes aimed at raising the overall quality of the institution. Various sub committees were formulated under the auspices of IQAC and these committees were assigned to plan and carry out various activities throughout the academic year. In brief IQAC formulated the entire plan for the academic year and implemented the same through its sub committees. For each and every program, a faculty was appointed as in charge and he/she independently takes up the leadership in all matters related to that particular programme. Statutory committees were reconstructed with a senior faculty as its chair person. And these committees were given utmost freedom of operations in matters that fall under their area of operation. 6.1.2 - Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Teachers have been delegated to attend different training sessions for the accomplishment of outcome based education goals. These training classes are organized under the initiative of state Higher education council. At the time of introduction of the new syllabus in the previous academic year, various discipline wise syllabus workshops were organized by the university in collaboration with our college.
Teaching and Learning	The emphasis were increased on field oriented learning, exposure visits, extension lectures, interaction with alumni who are established in the field of academics etc. The students were provided references to further reading materials in connection with the syllabus and were encouraged to pursue the same.
Examination and Evaluation	Skill assessment measures were implemented as a part of internal assignments. Practices such as Open book exams, extempore seminar presentations etc were adapted by different teachers in different departments. The online question paper system introduced by the University was implemented in the college in an effective manner.
Research and Development	A fully fledged research clinic is functioning in the college since Research is a prominent focus in Loyola. The research clinic continuously strives for the quality maintenance in the field of research. This year the improvement strategies adopted by the research clinic includes providing a written feedback to the students after their dissertation synopsis presentations which happens at three levels. Also a back up presentation was introduced for the students who miss the final synopsis presentation.
Library, ICT and Physical Infrastructure / Instrumentation	An indepth library training and induction programmes were given to all

	the new comers. The speeds of the broadband facilities were significantly increased. An existing building space was converted into four fully furnished classrooms with ICT facilities
Human Resource Management	A new appointment was made in the IQAC to manage the workload. The college managed to appoint more experienced and qualified teachers under the guest faculty category. Platforms were made available to share the feedback of the staff to ensure that their voices are heard in matters especially related to them.
Industry Interaction / Collaboration	We try to follow one student - one organization policy as far as possible. This approach ensures maximum exposure for the students in the day to day functioning of an organization. Faculties stay in permanent touch with the on field industry supervisors and guides.
Admission of Students	Steps were administered to ensure that the entrance processes were organized in a more hustle free manner. Also we introduced the schedules for the exams, GD and personal interview in such a manner that the interests of applicants from distant places were given top

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Research Clinic In order to raise the bar of quality of our student dissertations, Loyola College of Social Sciences came up with a proactive mechanism titled "Research Clinic". Under this programme, our final semester students go through three phases of presentations of their research work at various stages of their dissertation PIMER Approach In order to make the students competent to handle the requisites of the workplace and society, he/she needs to possess certain skills other than the academic knowledge. It is in this context the Loyola College of Social Sciences came up with the PIMER approach

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Engaged Knowledge Building (EKB) is one of our distinctive areas of functioning. EKB is a phrase we have used to denote the process of learning through engagement. Students are encouraged and often mandated to engage in learning at 4 levels: A) curricular engagement, B) cocurricular engagement C) extracurricular engagement and D) community engagement.

8.Future Plans of Actions for Next Academic Year

Our Future Plans envisages all 7 NAAC criteria. Curriculumwise we are hoping to introduce a few more certificate courses. We have also applied for new courses. With regard to Teachinglearning we hope to implement the Outcome Based Education System and Moodle. We also hope to revitalize mentoring. The Student Support Activities of our college is already vibrant. However with regard to bridge courses we hope to do more. With regard to research publications, we hope to give more attention to hindex and citation index. Infrastructure wise, we are hoping that a new administrative block will be sanction. Our website is being upgraded and some egovernance initiatives are hoping to be launched through the website.
