

Feedback on Performance through OBE Assessment Sheets

The college makes consistent efforts to enhance the learning potential of both advanced and slow learners. The institution assesses the learning levels of students at three points – i. during **induction**, using the **Entry-level Assessment Tool (EAT)**, ii. after internal exams and iii. Exit Survey. After induction (assessment) and Bridge course, in the second stage, the primary intervention carried out for enhancement of learning level is through **mentoring and Buddy system**. This is followed by the conduct of **Internal examinations using the OBE framework** helps us to distinguish learning levels of students. Those students who come in the slow learner category are provided with remedial measures and additional opportunities of examination to improve their learning level.

The following is a model screen shot of achievement in internal test 1.
