Webinar on 'Doing Qualitative Research

Programme Name	Webinar on 'Doing Qualitative Research'	Organizer	Department of Sociology
Date	30/09/2020	Time	11:30am
Venue	Zoom	Faculty in-charge	Dr. Nisha Jolly Nelson

Programme Objective	<p>Sociology Department of Loyola College of Social Sciences organized a webinar on the topic 'Doing Qualitative Research'. The session was conducted on 30th September 2020 through the online platform, <i>Zoom</i>. The session was monitored by a resource person outside the college. The eminent speaker for the day was 'Ms. Sheethal S Kumar'</p> <p>To give general introduction about qualitative research.</p> <p>To understand different avenues of qualitative study, which helps the students to relate with their existing knowledge.</p> <p>To explain about inductivist, constructionist, and Interpretivism</p> <p>To give a vision on the philosophical paradigms of research epistemological and ontological position of qualitative research.</p>
Resource Person (s)	Ms. Sheethal S Kumar'
Participants	faculties, research scholars and students

<p>Programme Activities</p>	<p>Methods and techniques involved in qualitative research like case studies, ethnography, oral histories, focused group discussions, participatory learning appraisal and so on.</p> <p>Procedures for conducting qualitative research where she explained the thumb rules; where the researcher itself should be the most critical tool in the study; and he/she should go to the field with an open mind and not with an empty head.</p> <p>Next part she focused on the pre requisites like determining the population, accessibility of the population, role of the researcher and use of field study.</p> <p>Software used for analyzing qualitative study.</p> <p>Issues and challenges for qualitative study which tries to connect with the reflexivity aspect of researchers, active participation of researcher, issue of being biased with the emotions of the participants.</p> <p>Concluded the presentation by stating that generalization is not a feature of qualitative research</p>
<p>Programme Outcomes</p>	<p>Participants actively participated and raised their doubts to the speaker. In the interactive session, she clarified the information related to triangulation and its different components. Ms. Sheethal was also able to give clear cut idea regarding the topics that could be selected even in this pandemic situation. The participants had a fruitful interaction with the guest of the day.</p>
