General Information

Founded in 1963, Loyola College of Social Sciences, is affiliated to the University of Kerala. The College is managed by the Kerala Province of the Society of Jesus. It offers courses in MA (Sociology), MSW (Social Work), MA (Human Resource Management) and MSc (Counselling Psychology). Loyola College is a recognized research centre of the University of Kerala, preparing students for Ph.D (Sociology, Social Work & Management Studies). A full-fledged Extension Department, Loyola Extension Services, is a unique feature of the College. The publication wing brings out a bi-annual journal, Loyola Journal of Social Sciences, and other occasional publications. We have an active alumni association founded in the year 1965.

True to the Jesuit tradition of MAGIS (Excellence), Loyola strives to reach the benefits of higher education to the people, especially the marginalised. In reaching this goal we are guided by the Ignatian vision of life and its application in Jesuit education.

Vision

Loyola College Trivandrum, a premier institute of excellence, engaged in knowledge building for inclusive social development and moulding globally competent and socially sensitive professionals towards social transformation

Mission

Loyola College Trivandrum strives to educate and form the youth as liberated lifelong learners who are sensitive to gender and ecology, empowered to respond to global challenges. We are committed to facilitate an integral, inclusive and humane development of the society

Motto

Excellence in Life through Service.

Goals of Jesuit Education

The pursuit of each student's intellectual development to the full measure of God-given talents is a prominent goal of Jesuit edu-

cation. However, it is not through a simple amassing of information and preparing for a profession, though they are important in themselves, the Jesuit education strives for its ideal. The ultimate aim of Jesuit education is the full growth of the person, which leads to action, that is suffused with the spirit and presence of Jesus Christ, God and Man-for-Others.

Hence, a student of Jesuit college should become a person who is “well-rounded, intellectually competent, open to growth, religious, loving and committed to doing justice in generous service to the people.” In other words, “we aim to form leaders in service, in imitation of Jesus, men and women of competence, conscience and compassionate commitment.”

We believe that true education occurs only when students and teachers respond to the social reality and are able to enter into a proactive relationship with people. Considering the Indian context, the College focuses on a secular and genuinely democratic approach to life and activities. We hope to build in our students a genuine commitment to life, people and the nature that sustains us.
