**What constraints are your ward facing related to post covid academic arrangements? / പുതിയ പഠനരീതിയോട് പൊരുത്തപ്പെടുന്നതിൽ എന്തെങ്കിലും വെല്ലുവിളികൾ നേരിടുന്നുണ്ടോ?**

### **1. Internet Connectivity**

- Network issues
- Network issues
- Connectivity issues, also when they have 5hrs long online lectures whatever electronic gadget they are using,they will have to charge the gadget in between along with using it. It's very dangerous
- Network issues are present..
- Yes, technical issues and the daily internet limit gets exhausted due to long classes and this it results in inability to submit assignments on time sometimes . And the phone battery gets drained easily and sometimes had to attend classes while plugging in the phone to the charger while attending the classes
- Yes, range issues and difficulty in accesing internet and due this sometimes she is not able to attend the classes properly
- Yah.. due to poor Network
- Net accessible alla, ഒരുപാട് strain undagunnu, class room പോലുള്ള പഠന പ്രവർത്തനം ഉണ്ടാകുന്നില്ല
- Its data consuming and also cant use up to a longtime because of using mobile phone.
- Technical constraints
- Net work issue
- Issue in internet connection and cannot go outside as the house is currently in containment zone
- Range issues regarding the net connection
- Internet problem
- \* Repeated interruption of electricity \* Unstable internet \* Lack of socialization. Child is sitting in front of electric gadget all the time.
- Net connection,
- Internet problems Health issues Lack of laptop facility

## Parents Feedback Report 2020

**Do you have any suggestions in this regard? കോവിഡിനെ തുടർന്നുള്ള പഠനരീതികളെ പറ്റി താങ്കൾക്ക് എന്തെങ്കിലും നിർദ്ദേശങ്ങൾ മുന്നോട്ട് വെക്കാൻ ഉണ്ടോ?**

### **1. Class Timings**

- The class time could be re arranged. There could be one hour break in between each session so that the students could relax,give rest to their eyes and also charge their gadgets.
- We have only one suggestion, that is to reduce the hour of classes
- ക്ലാസ്സിന്റെ ഇടയിൽ ഉള്ള ബ്രേക്ക് സമയം കുറച്ചുകൂടെ നീട്ടി കൊടുക്കേണ്ടതുണ്ട്
- Continues online class must be reduced
- Time constrain cheyanam, notes provide cheyanam
- A continuous 5 hours class will not be a suitable option.
- If the screen time could be reduced, it would be good for the children. As the mode of learning is new to them, the students may have difficulties adjusting to the current mode resulting in health issues. Kindly take it into consideration.
- Schedule the classes according to child's needs. Avoid repeated classes.
- Continuous classes could be reduced

### **2. Pre recorded classes/Offline Mode**

- Please improved the recording process for the all classes.Because the range was very low in here.
- pre-recorded videos or audios of classes can be given. Because there are network issues to attend online class
- It is far better even the classes were conducted in regular intervals.
- Need to prerecorded the classes and stream online later.... It will enable every student to access according their availability..... Student with low internet bandwidth can also access according to their convenience.
- Instead of online class. Pls shift to offline pre recorded class. In the end of every week arrange online sessions if needed to clear doubts .

### **3. Academic Related**

- initiatives for making clarity in portions as per syllabus
- Not completed syllabus.

## Parents Feedback Report 2020

- Students lack practical knowledge on various subjects, which can affect their academics, marks, confidence, etc. Hence a remedy has to be suggested.
- Kindly ensure the availability of online textbooks.
- Reduce syllabus and conduct open book exams

### **4. Other Comments/No suggestions**

- No special suggestions in this regard.
- I don't know whether it has any other option to choose in this particular situation.
- no suggestions
- Regular classes will be best than the online class
- Teachers are taking their max efforts
- Nothing
- No iam satisfied
- No
- Nil
